HUM Navigators use case management strategies to educate and connect individuals to services; Utilize a person-centered approach to meet the unique needs of each individual; Engage individuals who have not been successfully engaged into services beyond crisis; Use conventional and unconventional methods of engagement to determine barriers to ongoing community-based care; Use standardized assessment tools.

Population served: Adults with primary substance abuse, mental health, or co-occurring diagnosis who have been admitted to a crisis setting and remains disconnected from behavioral health community supports and services. May have to transport.

Minimum Qualifications:

Master's degree in related field.

Preferred Qualifications:

The selected applicant must furnish the required documentation authorizing work in the United States as well as pass a criminal background investigation and drug screening.

New Horizons Behavioral Health does not discriminate on the basis of disability in the admission or access to, or treatment or employment in, its program or activities. An applicant who has a disability which requires special accommodations should contact this office.

Due to the volume of applications received, we are unable to provide information on application status by phone or e-mail. We are also unable to contact applicants who are not selected for a position. All qualified applicants will be considered, but may not necessarily receive an interview. Selected applicants will be contacted by Human Resources to continue the hiring process.

This position is subject to close at any time once a satisfactory applicant pool has been identified.
