Job Description

The candidate's duties include, but are not limited to: Assessing dysfunction and observing/evaluating progress; helping people regain/improve coping abilities; administering psychotropic medications including medication assisted treatment for opioid use disorder and helping monitor/manage their side effects; promoting general health; providing health education, such as psychoeducation, to families and other interpersonal support members; assisting with crisis intervention or management; providing services through face-to-face and telehealth platforms.

Minimum Qualifications:

A current Georgia license to practice as a registered professional nurse.

Preferred Qualifications:

Mental Health experience.

Applicant MUST submit Nursing License application to be considered for employment

The selected applicant must furnish the required documentation authorizing work in the United States as well as pass a criminal background investigation and drug screening.

New Horizons does not discriminate on the basis of disability in the admission or access to, or treatment or employment in, its program or activities. An applicant who has a disability which requires special accommodations should contact this office.

NOTE: APPLICATIONS WILL BE SCREENED AT THE PREFERRED LEVEL.

Due to the volume of applications received, we are unable to provide information on application status by phone or e-mail. We are also unable to contact applicants who are not selected for a position. All qualified applicants will be considered, but may not necessarily receive an interview. Selected applicants will be contacted by Human Resources to continue the hiring process.

This position is subject to close at any time once a satisfactory applicant pool has been identified.
