Job Description

The candidate will be responsible for: Conducting evidence-based group sessions with individuals who have been identified with a substance abuse disorder; Documenting daily notes on progress in groups; Providing resources in the surrounding community that aid in maintaining sobriety; Aiding in increasing coping and basic living skills.

Minimum Qualifications:

High school diploma / GED with three (3) to five (5) years of experience in this field -OR- the completion of a Bachelor's degree in social science (Social Work, Psychology, Sociology, Counseling, or a related discipline) and one (1) year of full-time experience working with individuals with mental health disorders and/or addictive diseases. Must have Bachelor's in above named fields to be MHC eligible (Mental Health Clinician).

Preferred Qualifications:

A Bachelor's Degree and experience in working with individuals with mental disorders and/or addictive diseases is preferred.

The selected applicant must furnish the required documentation authorizing work in the United States as well as pass a criminal background investigation and drug screening.

New Horizons Behavioral Health does not discriminate on the basis of disability in the admission or access to, or treatment or employment in, its program or activities. An applicant who has a disability which requires special accommodations should contact this office.

NOTE: APPLICATIONS WILL BE SCREENED AT THE PREFERRED LEVEL.

Due to the volume of applications received, we are unable to provide information on application status by phone or e-mail. We are also unable to contact applicants who are not selected for a position. All qualified applicants will be considered, but may not necessarily receive an interview. Selected applicants will be contacted by Human Resources to continue the hiring process.

This position is subject to close at any time once a satisfactory applicant pool has been identified.
