Job Description

The candidate will provide case management and care coordination services to individuals experiencing behavioral health issues on an outpatient basis, with an integrated approach to care. The candidate will ensure that primary care services and referrals are followed and integrated with MH/AD services. Coordinates, facilitates, and integrates MH/AD treatment, care, and support.

Minimum Qualifications:

High school diploma or GED, with three (3) to five (5) years of experience working in behavioral health -OR- a Bachelor's degree in psychology, social work, sociology, counseling, or a related field.

Preferred Qualifications:

Experience working with populations with mental illness, developmental disabilities, or addictive diseases.

.....

Applicant MUST submit proof of High School or GED completion with application to be considered for employment

The selected applicant must furnish the required documentation authorizing work in the United States as well as pass a criminal background investigation and drug screening.

New Horizons does not discriminate on the basis of disability in the admission or access to, or treatment or employment in, its program or activities. An applicant who has a disability which requires special accommodations should contact this office.

Due to the volume of applications received, we are unable to provide information on application status by phone or e-mail. We are also unable to contact applicants who are not selected for a position. All qualified applicants will be considered, but may not necessarily receive an interview. Selected applicants will be contacted by Human Resources to continue the hiring process.

This position is subject to close at any time once a satisfactory applicant pool has been identified.
